The logo for Automation Expo 2024 features a large, stylized 'V' shape on the left, colored yellow and purple. To its right, the word 'AUTOMATION' is written in a bold, blue, sans-serif font, and 'EXPO2024' is written below it in a larger, bold, purple, sans-serif font. A small 'TM' trademark symbol is positioned at the top right of the 'AUTOMATION' text.

AUTOMATION EXPO2024TM

17th India International Trade Show

The background of the image is a blurred photograph of a busy exhibition hall. Numerous people are seen walking through aisles lined with various trade show booths. The booths have different colors and designs, some with large displays and others with smaller information stands. The lighting is bright, typical of a large indoor event space.

**21st to 24th August 2024
Hall 1 & 2, BEC, Goregaon , Mumbai**

BRANDING ONSITE

- **Visibility:** Branded elements within the venue enhance your visibility. Attendees are more likely to notice your company's presence and offerings when your branding is strategically placed throughout the event space.
- **Cohesive Brand Image:** Consistent branding within the venue ensures that your company's image remains cohesive and recognizable.
- **Attracting Foot Traffic:** Eye-catching branding elements can draw attendees to your booth. Strategically placed signs, banners, and displays can pique curiosity and encourage people to visit and learn more about your products and services.
- **Message Reinforcement:** Branding within the venue provides an opportunity to reinforce your core message and value proposition. Repetition of your brand message and visuals can help attendees remember your company.
- **Differentiation:** In a crowded expo with numerous exhibitors, well-executed branding can help your company stand out. It allows you to differentiate yourself from competitors and make a unique impression.
- **Promotion of Key Messages:** Branding within the venue allows you to promote specific messages, product launches, or promotions effectively. Attendees can readily identify what you are showcasing.
- **In conclusion,** branding within the venue at an expo is a strategic investment that helps you make a lasting impression, attract more attendees to your booth, and reinforce your brand's identity and messaging. It is a vital component of a successful expo marketing strategy.

Thyristor Controller
SCR Power Regulator
Thyristor Trigger Module

- Selectable Input 3 (4-20 mA / 0-10 V DC)
- Zero Cross / Phase Shift Output
- 20KW to 120KW - Single / Three Phase Load
- Suitable for Resistive Load with Star without Neutral / Delta Connection
- Optional : Inductive Load Model

PID Controller
GT 8
AK 6

- Two Way PID Controller
- Universal Input
- Suitable for Packaging, Extrusion, BOD, Soak, Profile Function
- 32 Stage Profile Function
- Relay / Analog / Triac Output Model Available

Multi Function Meter

- 3 Phase True RMS Voltage, Current Measurement
- Class : 1 Accuracy
- Programmable CT / PT Ratio
- Active / Reactive / Apparent Power Measurement
- Frequency, Rpm Measurement
- Optional : RS-485

Voltage Protection Relay
VPR
VPR*

- Voltage Protection / Monitoring Relay
- Over / Under Voltage Protection
- SPP / Voltage Asymmetry / Phase Unbalance Protection
- Healthy / Fault output
