**11<sup>th</sup> 12<sup>th</sup> 13<sup>th</sup> 14<sup>th</sup>**  
**AUGUST 2025**

CRAFTING A **RESILIENT &  
SUSTAINABLE** FUTURE  
THROUGH **AUTOMATION**

## Introduction

The 18th edition of Automation Expo took place from 11th to 14th August 2025 at the Bombay Exhibition Centre (BEC), Goregaon, Mumbai.

As Asia's biggest automation and instrumentation exhibition, it brought together global technology leaders, policymakers, and industry professionals under the theme "Crafting a Resilient & Sustainable Future through Automation". The 2025 edition reaffirmed Automation Expo's role as the gateway to India's industrial future, focusing on sustainability, smart manufacturing, and scalable automation technologies.

## Event Highlights

- **Exhibitors:** 2000+ from India & 25+ Countries
- **Visitors:** 51,786+ across four days
- **Stalls:** 700+ Spread over 36,000+ sq meters.
- **Products on Display:** 40,000+ Innovations in automation & digital technologies
- **Roadshows:** Pune, Nashik & Vadodara - amplifying visibility before the main event.
- **Dedicated Zones:** Robotics | Machine Vision | Startup Zone

## Inauguration Ceremony

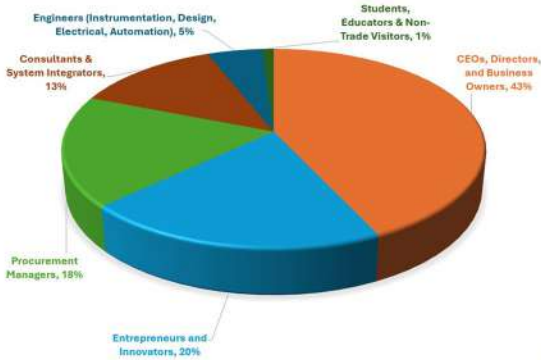

The grand inauguration was held on 11th August 2025 at 10:00 AM in the presence of eminent dignitaries:

- **Chief Guest:** Mr. B. Narayan, Group President (Procurement & Projects), Reliance Industries Ltd.
- **Guests of Honour:** Padmashri Dr. G. D. Yadav (Bhatanagar Fellow & National Science Chair (ANRF/DST/GOI) & Emiritus Professor of Eminence), H E . Yogev Meushar (Consul- Head Economic & Commercial Mission, Mumbai, Ministry of Economy & Industry, Israel), Mr. Joe Yang (Principal Commercial Officer U.S. Foreign Commercial Services), Mr. Vinayak Marathe (Head- India Business Operations, Phillip Townsend Associates) and Mr. Ritwij Kulkarni (Country Head, Honeywell Industrial Automation)

The ceremony emphasized India's pivotal role in sustainable industrial automation and the importance of collaboration between global innovators and Indian industry.

## Visitor Profile by Designation

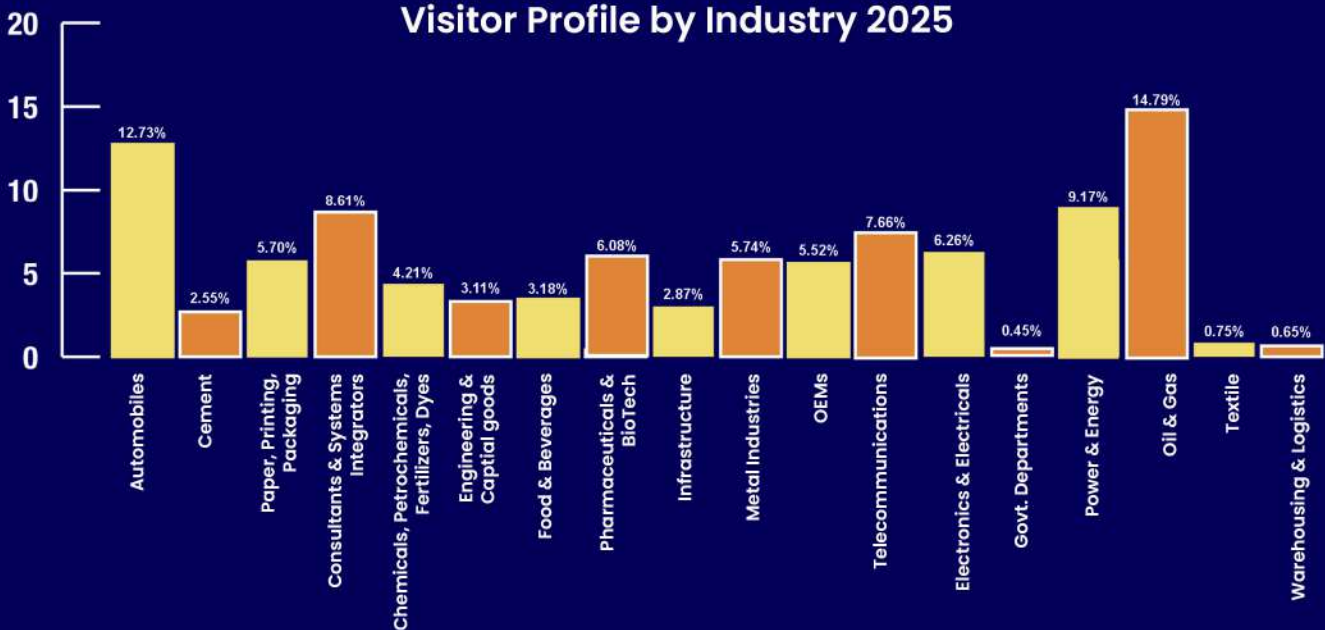

## Visitor Experience

Automation Expo 2025 welcomed an even larger and more diverse audience, attracting 51,786+ visitors over four days. The event drew CEOs, decision-makers, engineers, procurement heads, entrepreneurs, students, and global technology experts, all eager to explore cutting-edge automation solutions.

The expo provided a dynamic platform for knowledge exchange, live demonstrations, and strategic collaborations, making it a must-attend destination for India's industrial ecosystem.

## Visitor Profile by Industry 2025

## Conferences & Workshops

The conferences and workshops, held at The Grande, BEC, were fully packed, with industry thought leaders sharing cutting-edge insights:

**Conference on NexGen Factories** – 11th August 2025 | 01:30 PM

Focus on Industry 4.0, IIoT, and Smart Manufacturing Practices.

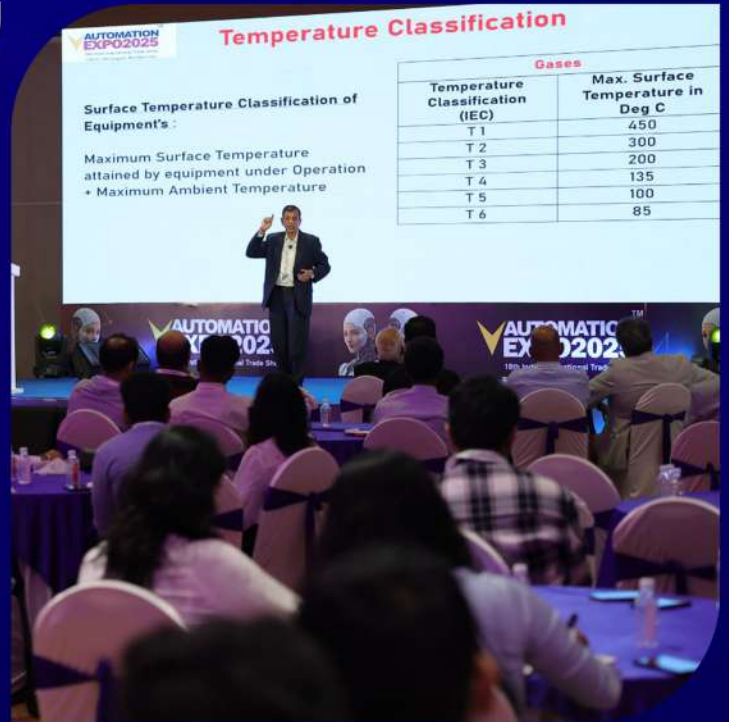

**Conference on Sustainable Process Evolution** – 12th August 2025 | 09:30 AM

Explored green technologies, carbon neutrality, and energy transition.

**Back to Basics Workshop** – 13th August 2025 | 09:30 AM

Practical knowledge session covering core automation & instrumentation fundamentals for engineers and students.

These sessions brought together over 500+ delegates and 16+ expert speakers across the three days.

## Media & Promotions

- **20-Day Multi-Channel Campaign:** Print ads, TV coverage, digital outreach, industry blogs, and LinkedIn promotions.
- **Regional Roadshows:** Pune, Nashik, and Vadodara acted as curtains-raisers for the main event.
- **Media Coverage:** Featured in leading newspapers, trade magazines, and online platforms.
- **Exhibitor Promotion Kits:** Enabled exhibitors to engage their networks and amplify visitor turnout.

## Naari Shakti Award:

**Celebrating Women in Automation:** The Naari Shakti Award recognized outstanding contributions by women in the automation industry, celebrating their achievements and inspiring future leaders.

## India Automation Challenge:

India Automation Challenge 2025 brought together some of the most brilliant student innovations from across the country, with over 250 project submissions and a rigorous multi-stage evaluation process. Emerging at the top was "Rail Track Switch Maintenance" by the team from MKSSS's Cummins College of Engineering for Women, Pune. Their solution impressed the jury with its practical impact, engineering depth, and focus on railway safety and automation.

# Special Segments

## Awards for Booths

**Small, Medium, and Large Categories:** To recognize outstanding efforts by exhibitors in innovation, booth design, and visitor engagement, Exhibitor Awards were presented across three halls (Hall 2, 3, and 6). Awards were categorized by booth size (Large, Medium, Small) and further recognized under Platinum, Gold, and Silver levels.

### Hall - 6

Category	Platinum	Gold	Silver
<b>Large Booth</b> above 70 sqm			
<b>Medium Booth</b> 28 to 69 sqm			
<b>Small Booth</b> 9 to 27 sqm			

### Hall - 3

Category	Platinum	Gold	Silver
<b>Large Booth</b> above 70 sqm			
<b>Medium Booth</b> 28 to 69 sqm			
<b>Small Booth</b> 9 to 27 sqm			

### Hall - 2

Category	Platinum	Gold	Silver
<b>Large Booth</b> above 70 sqm			
<b>Medium Booth</b> 28 to 69 sqm			
<b>Small Booth</b> 9 to 27 sqm			

# SEE YOU AT

3rd Regional Automation Expo in Chennai  
12th to 14th March 2026, CTC, Chennai, India

19th India International Trade Show  
22nd to 25th July, BEC, Mumbai, India
